#### FEATURES:

- 8" PROFESSIONAL SERIES LOUDSPEAKERS (COMPETITIVE COSTING, VERY HIGH PERFORMANCE)
- 70.7 VOLT LINE MATCHING TRANSFORMERS
- HIGH QUALITY BAFFLES (GRILLS)
- COMPLETELY ASSEMBLED SPEAKER / TRANSFORMER / BAFFLE, 10 PER CARTON
- ALL STEEL BAFFLE (GRILL)

Arnscott's Professional Series speaker assemblies are the perfect match for voice and music communications in hotel / motel rooms, conference and board rooms, offices or for any small to medium commercial area that is requiring voice and music communications. The complete assembly is very high quality, very competitively priced. The speakers are available in both 10 & 20 oz. Magnet size. The transformers are available in either 70.7V, 8 or 16 Watt. The baffles come in either round or square, all made of 20 gauge cold rolled steel, with 4 weld studs, and a speaker white powder coated finish.

See the chart below to make your own custom part number. Back boxes are sold separately.

#### Speaker Components Available:

##### How to Create Your Assembly

All of these parts fit each other (Note, do not use the CO820 with torsion mount baffles, the speaker is too heavy). To create a part number with the combination of your choice, Simply add the abbreviated product codes together in the following way:

Part Number	Description	Code for Assembly
CO810	8" 10oz. full music range, co-axial, 8 ohm, 15 Watts RMS	<b>C81</b>
CO820	8" 20oz. full music range, co-axial, 8 ohm, 25 Watts RMS	<b>C82</b>
A70-8	Audio transformer, 8 Watt, 70.7 Volt, low insert loss, with leads	<b>708</b>
A70-16	Audio transformer, 16 Watt, 70.7 Volt, low insert loss, with leads	<b>716</b>
GA22W	11" round baffle, speaker white, pot light style, torsion mount	<b>22A</b>
G51W	12-1/2" square, baffle, speaker white, bass enhancing	<b>51</b>
GA51W	12-1/2" square, baffle, speaker white, bass enhancing, torsion	<b>51A</b>
GA74W	12 1/8" round baffle, speaker white, elegant chamfer style, torsion mount	<b>74A</b>

**Speaker Code - Transformer Code - Baffle Code      Example: C81-708-74A = CO810 + A70-8 + GA74W**
